

NOTES FOR EXHIBITORS

Standard pots must be used. The inside diameter of the pot should be approximate to the perpendicular height and the diameter at the top should be appreciably greater than the diameter at the bottom (i.e. the pot should have a distinct taper). Half pots or shrub pots are not allowed.

The colour of the pots must be terracotta - except for hanging pots.

The class for hanging pots will be judged as for baskets. Only commercial hanging pots will be permitted.

SHOW DEFINITIONS

Standard - A standard must have no more than one support. All standards must be a single stem. The dimensions refer to the length of the clear stem between the surface of the compost and the lowest branch.

Bush - A bush is an exhibit which must be developed on a single stem not exceeding 1½". The entire exhibit should be covered with a healthy abundance of foliage and flower which should be of the size expected of the cultivar being shown. The exhibit should present a balanced shape when viewed from all angles.

Shrub - A shrub is an exhibit with more than one shoot emerging from below compost level. It can be developed from more than one plant. The entire exhibit should be covered with a healthy abundance of foliage and flower which should be as expected of the cultivar being shown. The exhibit should present a balanced shape when viewed from all angles.

SHOW RULES

1. The OPEN Section of the competition (apart from class 17) is open to all. The NOVICE Section is for appropriate members of the Society only.
2. Exhibitors may only have one entry in any class.
3. Exhibitors should lodge an entry form with the Show Secretary by 9:30pm on Friday and obtain their class cards immediately on arrival at the hall. Class cards must be placed face downwards with the appropriate entry in each class.
4. All plants must have been the property of the exhibitor for at least three months prior to the show. This also applies to plants from which flowers are taken. All plants must be shown in the pots in which they are grown.
5. The Judges will be at liberty to withhold any prize if the exhibit is not considered worthy.
6. While judging is in progress, all persons except the Judges, Stewards and Officers of the Society officially retained, must retire from the hall.
7. Points will be awarded as follows: 1st = 3 points; 2nd = 2 points; 3rd = 1 point. In the event of a tie for the most points in the show, the award will be given to the competitor gaining the most firsts.
8. Any protest must be made in writing to the Secretary before 3.00pm on the day of judging.
9. The Committee shall have the power to declare any exhibits disqualified if a protest is upheld, their decision is final.
10. A "Novice" is a competitor who has never won a first prize for fuchsias at a recognised fuchsia show.
11. No exhibits or class cards may be removed before the close of the Show.
12. All perpetual cups and trophies presented by the Society are held by the winners for one year and must be returned to the Secretary.
13. All plants entered should be free from pests and diseases. Any plant considered to be carrying pests or diseases will be removed from the Hall. In this matter the Judges' decision is final.
14. Any matter not provided for in these rules will be dealt with by the Committee, whose decision will be accepted as final.
15. In the craft class the item must be the exhibitor's own work.
